Town Warrant

THE TOWN OF HUDSON

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hudson in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Alvirne High School Auditorium in said Hudson on Tuesday, March 14, 1967 next, to elect Town Officers for the ensuing year by ballot and vote by ballot on the following referendum questions:

a) To vote to appropriate a sum not exceeding $200,000.00 for a new Taylor Falls Bridge pursuant to a Special Act of the 1967 legislature.

b) To vote on the question of adopting a Representative Form of Government consisting of not more than 10 districts and 60 representatives, pursuant to Chapter 40-A.

c) To vote on the question of adopting a Town Manager form of Government, pursuant to Chapter 37.

For this purpose, the polls will be open at 10:00 A. M. and close at 8:00 P. M. with the following articles to be acted upon at 7 o'clock in the evening:

1. To see if the Town will vote to appropriate and raise such sums of money as may be necessary to defray Town charges for the ensuing year.

2. To see if the Town will vote to accept numerous bequests as Trust Funds, the income to be used for the perpetual care of the various cemetery lots.

3. To see if the Town will vote to authorize the selectmen to pledge the credit of the Town in anticipation of taxes, up to $800,000.00.

4. To see if the Town will vote to authorize and empower the Selectmen to sell and convey any and all real estate acquired by the Town for unpaid taxes.

5. To see if the Town will vote to increase the annual salary of the Fire Chief from $400.00 to $600.00, the Deputies from $250.00 to $400.00, and the Firefighters from $200.00 to $300.00. These raises are to be effective April 4th. By petition.

6. To see if the Town will vote to increase the salaries of the Police Sergeants from $5,400.00 a year to $6,000.00, and the regular Officers from $5,200.00 to $5,600.00 per year. By petition.

7. To see if the Town will vote to raise the salary of the Chief of Police from $144.00 per week to $164.00 per week.

8. To see if the Town will vote to increase the compensation of the Hudson Selectmen from $600.00 per year to $1,500.00 per year, effective July 1, 1967, and to appropriate money for same. Also that, as a result of this increase, the compensation to the Selectmen for handling the office of Overseer of the Poor shall be deleted from this and all other subsequent budgets, unless authorized by a vote of the Town at some future Annual Town Meeting.

9. To see if the Town will vote and appropriate monies under the caption of Town Officers' salaries for the following: Tax Collector from $4,000.00 annually to $4,500.00 annually, with no allowance for clerical help; Supervisors of the Checklist from $100.00 annually to $200.00 annually; Town Clerk from $100.00 annually to $200.00 annually; Town Treasurer from $450.00 annually to $600.00 annually, all increases to be effective July 1, 1967.

10. To see if the Town will vote to establish the salary of the Selectmen's secretary at $4,500.00 and the salary of the clerk at $3,800.00. For a 40 hour week. By petition.

11. To see if the Town will vote to increase the salary of the Road Agent from $144.00 per week to $164.00 per week and raise and appropriate money for same.

12. To see if the Town will vote to establish the following rates of pay for the suppression of brush fires: Junior Firefighters at $1.25 per hour, Laborers at $1.50 per hour, Firefighters at $1.75 per hour, Deputy Wardens at $1.85 per hour, and Wardens at $2.50 per hour; that is, the State pays one-half of these rates. By petition.

13. To see if the Town will vote to authorize the Selectmen and Road Agent and a Representative of the Budget Committee to purchase a new front-end Loader for the Highway Department. Said Loader to be a size equivalent to a Cat 944 to 950 with a 2½ to 2⅝ cu. Yard bucket. The present Loader to be traded in and the net price not to exceed $14,000.00. $5,000.00 to be raised this year and the balance in serial notes. By petition.

14. To see if the Town will vote to have the State Tax Commission reappraise all the taxable property in the Town. Also, that this reappraisal by the State Tax Commission be a continuous practice applied to all new construction in the Town for the years following the general reappraisal of all the properties in the Town. This procedure shall remain in effect until rescinded by the voters of the Town at some future Annual Town Meeting. By petition.

15. To see if the Town will vote to ratify the purchase of the Robinson Pond property voted in the affirmative at the 1966 Town Meeting from Mr. Charles Parker, i. e., a certain track of land with approximately 50 acres and with approximately 3,210 feet of frontage on the pond for a sum of $50,000.00 to be paid in ten (10) payments of $5,000.00 annually. The purchase to be subject to the following terms; the 1966 tax to be abated, to give Mr. Charles Parker the right to remove trees of over one foot in diameter and all diseased trees within the next three years, and the area to be used for a park or recreational area only.

16. To see if the Town will vote to raise and appropriate a sum of $27,000.00 for the purpose of constructing a new sewer extension to serve the new Middle School, Thorning Street, Greentrees Drive, and Melendy Road area. The sewer to tie into the existing system at Central Street or Lowell Road. The School District to pay $10,000.00 and the balance to be paid by abuttors on a front foot basis and entrance fees, and authorize the Selectmen to raise such sums of money through the issuance of bonds or notes under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the N. H. Revised Statutes Annotated) and authorize the issuance of and negotiation of such bonds or notes and to determine the rate of interest thereon and the time and place of payment thereof and to take such other action as may be necessary to effect the issuance, negotiation and rate of interest of such bonds or notes as shall be in the best interest of the Town of Hudson.

17. To see if the Town will vote to appropriate and raise the sum of $28,000.00 for a sewer survey of the Town to cover the area requested in the Federal Advance request under F.H.H.A. and N. H. Health Department and to authorize the Selectmen to raise such sums of money through the issuance of bonds or notes under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the N. H. Revised Statutes Annotated) and authorize the issuance of and negotiation of such bonds or notes and to determine the rate of interest thereon and the time and place of payment thereof and to take such other action as may be necessary to effect the issuance, negotiation and rate of interest of such bonds or notes as shall be in the best interest of the Town of Hudson, said article to take effect March 13, 1968, if no Federal Funds are available for said survey by that date.

18. To see if the Town will vote to authorize the Selectmen to bill all users of the Ambulance Service for the actual cost.

19. To see if the Town will vote to change the name of the so-called Clement Road Extension to Sullivan Road.

20. To see if the Town will vote to increase the membership of the Planning Board from five to seven members in accordance with Chapter 36, section 4, of the Revised Statutes Annotated.

21. To see if the Town will vote to rescind the action taken under Article 26 of the 1963 Town Meeting relative to the surfacing of streets in sub-divisions and substitute in its stead the following: To see if the Town will vote to require owners or developers of new sub-divisions, sub-divisions with unsold lots or homes owned by the sub-divider or his agents, to surface all unsurfaced streets either by the Town at total cost, including equipment, or by a private contractor under supervision of the Road Agent. A bond shall be required from the sub-divider, developer, or his agents to insure faithful performance and guarantee that the paving shall be in accordance with Town specifications.

22. To see if the Town will vote to establish the following wage and work schedule for the Highway Department Employees and raise and appropriate monies for same, as follows:

Wages	Starting pay	After 6 mos.	After 1 yr.	Merit Maximum
Laborer	$1.80	$1.85	$1.90	$2.10
Truck Driver (light equip.)	1.90	1.95	2.00	2.20
Truck Driver (heavy equip.)	2.00	2.05	2.10	2.30
Grader Operator	2.35	2.40	2.45	2.70
Loader Operator	2.35	2.40	2.45	2.70
Maintenance Man	2.25	2.30	2.35	2.70
Mechanic	2.35	2.40	2.45	2.70
Foreman	2.40	2.45	2.50	2.75

GENERAL PROVISIONS:

1. New Employees shall be hired on a six months trial basis.
2. No employee, with more than six month's service, shall be removed from employment, for just cause, without first receiving a hearing before the Board of Selectmen. Such hearing shall be public, or private, at the option of the employee.

3. Each employee, after one year of service, shall be entitled to one week vacation, and, after one year of service, shall be entitled to one extra day for each additional year worked up to a maximum of two weeks.

4. The normal work week shall be not less than 40 hours per week and not more than 45 hours per week, at the discretion of the Selectmen, except during extreme emergencies, or during the winter snow plowing season.

5. Minimum call out time shall be set at two hours.

6. Sick leave shall constitute 5 days per year. At the end of the calendar year, the sick leave not taken by the employee, shall be paid to the employee, based on the number of days left at December 31st of each calendar year.

7. There shall be 10 paid holidays, as follows:

New Year's Day	Labor Day
Washington's Birthday	Columbus Day
Fast Day	Veteran's Day
Memorial Day	Thanksgiving Day
Fourth of July	Christmas

8. Each hour shall be divided into 10 parts and every six minutes shall constitute one-tenth of an hour. Overtime, after eight hours, shall not begin until twenty minutes shall have elapsed. After that time, full overtime shall be paid for the number of tenths of an hour worked. Selectmen are hereby authorized to establish rules covering tardiness.

9. Sickness and accident insurance shall be provided for each employee with the provision that such benefits shall begin on the first day, in case of an accident, and on the eighth day in case of illness. The cost of the medical, accident, and income protection insurance shall be paid for by the Town. Cost of insurance for the employee's dependents shall be paid for by the employee.

10. One set of uniforms shall be provided to the equipment operators and two sets of uniforms shall be provided to the mechanics and maintenance men, at the expense of the Town.

11. Time and one-half shall be paid after 40 hours of work and double time shall be paid for any holidays worked.

Double time shall mean one extra hour for each hour worked, as on regular work days.

12. Work rules shall be fixed by the Selectmen, after consultation with the Road Agent, and made available to all employees at time of employment. Employees, who shall disregard the work rules set by the Selectmen, shall be issued a maximum of three warnings in any one calendar year and, after receipt of the third warning in any one calendar year, the employee shall be subject to discharge, after a hearing before the Selectmen, as specified in Section 2.

23. To see if the Town will vote to allow all regular employees to accumulate sick leave at 12 days per year accumulation for 120 days.

24. To see if the Town will vote to impose a restraining order on all dogs in conformance with RSA Chapter 466-39, as follows:

(a) All dogs must be kept under direct control of the owner at all times by use of a leash, fenced-in yard or contained on owner's property at all times.

(b) All dogs running at large will be picked up by the Town and kept for a two-day period. If the dog has a tag, the owners will be notified and will have two (2) days to reclaim same at a penalty cost of $10.00. After two (2) days the dogs will be disposed of.

25. To see if the Town will vote to abandon a portion of Musquash Road, which was discontinued when the new roadway was built, starting at the north east corner of the Ina Talbot property to the northern corner of the Chester Gould property (meaning to abandon that portion of the old Musquash Road adjacent to the Gould property.)

26. To see if the Town will vote to abandon any or all portions of Greeley Street, Speare Road, Wason Road, Bush Hill Road, Pelham Road and Musquash Road that have been replaced with relocated roads.

27. To see if the Town will approve the transfer of the maintenance and upkeep of the Alvirne Memorial Field to the Hudson School District.

28. To see if the Town will vote to abandon the so-called Cart Road running between the Pelham Road and the Lowell Road, said Cart Road lying generally to the south of lands of Frank L. Kennedy and Elizabeth M. Kennedy described in Book 1007, Page 506 of the Hillsborough County Registry of Deeds.

Given under our hands and seal this 27th day of February in the year of our Lord nineteen hundred and sixty-seven.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire
SUMMARY OF FINDINGS AND RECOMMENDATIONS

March 11, 1966

Board of Selectmen
Hudson, New Hampshire
Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Hudson for the fiscal year ended December 31, 1965, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Hills Memorial Library and Sewer Fund Account.

Financial Statements

Comparative Balance Sheets — December 31, 1964 — December 31, 1965: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1964 and December 31, 1965, are presented in Exhibit A-1. As indicated therein, the Net Debt increased by $21,573.55 in 1965.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Net Debt		
Long Term Notes Issued	$ 63,600.00	
Tax Liens Transferred to Tax Deeds	4,377.49	
		$ 67,977.49
Decrease in Net Debt		
Long Term Notes Paid	$ 24,175.00	
Net Budget Surplus	21,257.34	
Withholding Tax Liability Adjustment	971.60	
		$ 46,403.94
Net Increase		**$ 21,573.55**

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1965, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of $24,083.53 less a net overdraft of appropriations of $2,826.19, resulted in a net budget surplus of $21,257.34.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1965, made up in accordance with the uniform classifications of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1965, is indicated in Exhibit B-2.

Statements of Sewer Fund Account: (Exhibits B-3, B-4, B-5 & B-6)

Statements of the activity in the Sewer Fund Account during the fiscal year are presented in Exhibits B-3, B-4, B-5 and B-6.

Statement of Long Term Indebtedness: (Exhibit G)

A statement of outstanding long term indebtedness as of December 31, 1965, showing annual debt service requirements, is contained in Exhibit G.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Deficit — Surplus:

The current financial condition changed from a current deficit (excess of current liabilities over total assets) of $3,609.30, to a current surplus (excess of total assets over current liabilities) of $14,242.15 in 1965, as shown herewith:

	Dec. 31, 1964	Dec. 31, 1965
Total Assets	$298,586.13	$328,756.03
Current Liabilites	302,195.43	314,513.88
Current (Deficit) Surplus	($ 3,609.30)	$ 14,242.15

Overdraft of Overlay Account:

As indicated by the Budget Summary (Exhibit A-4), there was a net overdraft of appropriations in the amount of $2,826.19, as indicated herewith:

Overdrafts of Appropriations	$ 24,224.10
Unexpended Balances of Appropriations	21,397.91
Net Overdraft of Appropriations	$ 2,826.19

However, it may be explained that included in the total appropriation overdrafts was an overdraft of $8,215.62 in the "Overlay" Account. The amount which is raised for "Overlay" is determined by the Selectmen rather than voted by the Town Meeting, so that it is not actually an appropriation account. Abatements, discounts and refunds are charged to this account. Therefore it is noted that with the elimination of this item of $8,215.62 from the total overdrafts, there was actually a net unexpended balance of budgetary appropriations as shown herewith:

Unexpended Balances of Appropriations		$ 21,397.91
Total Appropriation Overdrafts	$ 24,224.10	
Less: Overdraft in "Overlay" Account	8,215.62	
		$ 16,008.48
Net Unexpended Balance of Budgetary Appropriations		$ 5,389.43

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (Letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Hudson for their assistance during the course of the audit.

Yours very truly,

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Hudson for the fiscal year ended December 31, 1965. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town on December 31, 1965, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

THE YEAR 1966

Once again it is time for the Selectmen's annual report to the citizens of Huson.

"Busy, busy" is an understatement. The work-load has increased two-fold in all of our major departments and our office is no exception. The population of Hudson is now estimated to be over 9000. The more people and the more homes and streets which we add means more work for all concerned.

This year assessments were a great problem. We increased land values at the recommendation of the State Tax Commission and after many, many hours of work, the Tax Warrant was finally turned over to the Tax Collector later than usual. Life without taxes would seem ideal, but a town without the services and conveniences for which the taxes pay, would be chaos.

There were several new businesses which located in Hudson during 1966. The Borders Electronics Research Corp., which located temporarily at 4 Webster Street, expects to move into its new building at the corner of Elm Avenue and Derry Street early in the spring of 1967. Other new businesses in the Bridge area are Auto Land, McCarthy's Restaurant, Chick'n & Chips, Speedi-Subs Pizza and Dion Cleansers, Inc., The Ferry Street Barber Shop, the Hudson "66" Filling Station on the Lowell Road and at the Super-Duper Shopping Center the addition of the Good Eats Shoppe, Inc., Pizza by Giovanni and the Gosselin Pharmacy No. 3. We should like to wish much succes to all of these new establishments. The Nashua Trust Company's new bank will be completed early in 1967 and will be a welcome addition to the Town.

The Highway Department had many problems in 1966. One of which, was the loss of several men to more lucrative employment. We feel that the department did a splendid job in spite of increased streets and duties and a limited crew. No words of praise are needed for the Fire and Police Departments. Their records speak for themselves.

We all miss John E. Baker who was our Town Clerk and Tax Collector for so many years. Mrs. Frances Baker, his able assistant, was appointed to fill out his unexpired term.

The new Town Office Building has been a beehive of activity. Two or three groups meet there nearly every evening and we now wonder how we ever managed without it.

We had several resignations on the Planning Board through a misunderstanding and we appointed three new members to succeed them. This is a thankless job and we must commend anyone who is willing to give time and effort for a better Hudson.

Many meetings of importance were attended by the Board of Selectmen. Some weeks just didn't seem to have enough evenings to go around. New people are advised to check with the Board relative to any matter pertaining to Town affairs. The office telephone number is 889-1882.

We wish to take this opportunity to thank everyone who has helped us in any way. Our thanks to the members of the various departments and committees and above all to "Gerrie" and Nada in the Selectmen's Office.

Looking to the future, we see many problems, but with your sincere help and understanding, we hope to resolve them to the mutual satisfaction of all.

The Board of Selectmen

THE HUDSON POLICE DEPARTMENT REPORT

The year 1966 is now history. The time has come again for us to forget that which has transpired and to plan for the future.

We have had a very busy year as the records will show. The work-load has increased tremendously. As more and more cars are put on the road, accidents increase. The number of cars plus other factors such as the weather, carelessness and the lack of courtesy on the highway are the main causes of accident.

The Hudson Bridge issue is still unsolved. This causes grave traffic problems which will continue to get worse until a solution is reached. A second and third bridge will be a necessity to handle the traffic which pours through our Town.

The Police Department is very proud of being a recipient of a "Pedestrian Safety Achievement Award" which was presented by the American Automobile Association. This award commended the Hudson Police Department for its exceptional, consecutive record of "No Pedestrian Fatalities" as reported in the AAA Pedestrian Safety Inventory while meeting AAA standards of program performance — a 21 year achievement.

We feel that the above record was possible, in part, because of the training sessions which the officers attend. The officers, in turn, pass this instruction on to the school children in their safety programs. Much time and energy is expended by the Police Officers and the Traffic Guards in their contacts with the children both at the station when they come for their bicycle plates and when they are on their way to and from school.

Hudson has had a series of house and filling station breaks this past year. In the house breaks, which we have had, the television set has been the main item which was stolen. The surrounding towns have been hit very hard. In some instances, half of the furniture has been taken while the rest of the house has been ransacked. Much time has been spent in investigating these breaks both day and night. We now know who participated in four of the seven breaks in Hudson, but we have not been able to locate any of the merchandise, to date. On the various investigations, the officers have given generously of their time without pay. They are also attending training sessions on their own time so as to better serve you.

You have probably read about the new rulings by the Supreme Court in Washington. A suspect cannot be interrogated by the police without having his lawyer present. The outlaws and gangsters are given protection which you and I do not have.

We have had the usual wonderful co-operation from our two Selectmen "Bob" and Frank and from the two secretaries in the Selectmen's office, "Gerrie" and Nada. The wives of the officers and my wife, who has endured this for so many years, deserve much credit.

Three new officers were appointed this year. Two of them were voted for at Town Meeting and one was appointed to replace an officer who resigned because of ill health. The two new men are working the night shift with a Sargeant. The two officers are in one cruiser and the Sargeant in the other. They have certain sections of the Town to cover which has been a tremendous help and given us much better coverage. As more and more new houses are built and new businesses come into Town, the duties of the Police Department increase.

All of the officers have attended training sessions at St. Anslems College where they have been instructed in all phases of police work. They have also attended regular sessions twice a month in Town where they have had instruction in the use of the camera, resuscitator and inhilator, in accident investigation, shooting, safety, prevention of accidents and other phases of police work which aid in the protection of the public.

FIRE REPORT 1966

The year of 1966 showed a total of 201 alarms which is an increase of 22 alarms over the 1965 record, but fortunately, there were no major fires. Credit must be given to the men of the Fire Department for their prompt response to alarms. Also, the time spent in drills and training has proven its value time and again.

Brush fires are still at the top of the list and backyard rubbish and incinator fires run very high. These are all classed as very careless fires.

We issued 343 Fire Permits in 1966. Many times the people of the Town are disturbed when they can't be issued a burning permit immediately. However, at such times patience and consideration for the call men should be shown, as these men give many free hours and days away from their families in order to protect the property of the Town's people. One reminder to those who receive Fire Permits — When you light your fire you are still responsible for all damage and expense caused by that fire. I would like to stress the point that it is much safer and often times cheaper, to take this material to the Town dump.

Your Fire Department is very proud to report that it has a Muster Team which has taken first prize for three consecutive years in the southern New Hampshire and Massachusetts competitions.

During Fire Prevention week in October, the Hudson Fire Department participated in parades in Nashua and Manchester. We also had a parade in Hudson in which twelve out-of-town Fire Departments participated. After the parade, our Fire Department demonstrated oil-fire fighting, rescue over ladders, smoke mask work in a real smoke house and resuscitator work. We were gratified by the interest shown by the public in these events.
Ten reminders:

1. Remember every fire has a cause.
2. Fires can be costly in dollars and also lives.
3. Keep matches away from children.
4. Keep your heating systems checked for safety.
5. Don't over-load electrical outlets — use proper fuses.
6. Don't smoke in bed.
7. Check all ash trays before emptying and before retiring.

8. If you have an incinerator make sure it is in a safe place and that it has a cover. Don't light it if the wind is blowing. When you do light it, don't leave it immediately. Stay with the fire until you are sure it is at a safe stage.

9. Don't leave your children alone. Always have a well-trained sitter.

10. No Fire Permit will be issued until after 5:00 p.m., except when it is raining or to those doing construction work.

During the year of 1966, many lives were lost by careless fires in the State of New Hampshire. In completing this report, I wish to thank you for the fine co-operation which we have received in helping to eliminate these fire hazards, and ask for continued co-operation so that the year 1967 will be a safer year.

CHIEF OSCAR P. CAMPBELL

DISTRICT FOREST FIRE WARDENS REPORT

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966).

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.

2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A. M. and 5:00 P. M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important — instruct your children that matches are not play things.

TRULY — ONLY YOU CAN PREVENT FOREST FIRES

RECREATION COMMISSION REPORT

1966

Playground activities were carried out from June 27 to August 27, under the direction of the Town Recreation Commission with Recreation Director, Dalton Blodgett and playground personnel, James McNeil, Kay Herbert, Dana McCoy and Pamela Thornton. Over 200 children registered for the playground programs.

The Craft program at both the Youth Center and the Hudson Center playground was under the direction of Mrs. Maurine Hutchins again this year.

The Girls' Softball Teams were coached by Mr. Blodgett, assisted by the playground personnel. Miss Thornton was in charge of the reading hour.

The playground personnel attended the State Recreational Workshop before the opening of the season, gaining much information, new ideas and instructions on playground work, which is of great benefit to the personnel in carrying out their duties.

The members of the playground staff were found to be most efficient and capable. We are fortunate that all plan to return for the coming season. This means that all supervisors will be qualified and experienced, therefore the year ahead should be most successful.

The playground personnel painted all equipment for the opening of the season.

Many new items were made in craft classes which included advanced crafts for older participants. A Craft Exhibit was held at the close of the season.

The Youth Center floor was painted, which gave the interior of the building a cleaner appearance. This building is available morning, afternoon and evening for group meetings. At present Girl Scout Troops, 4-H Girls, Cub Scouts and an Extension Group use the building for a meeting place.

Additional equipment of a Merry-Go-Round and Chair Swing Set were installed at the Hudson Center Playground.

During 1967, we plan to purchase chair swings and a replacement slide for the Dr. H. O. Smith playground and a water bubbler for the Hudson Center playground.

The older girls' softball team was more popular than ever this year with approximately 50 girls participating. They had a very successful season, playing teams from Nashua, Derry and Hollis.

A second group was organized for younger girls who were just beginning to play softball and wished to take part in this sport.

The season closed with a Field Day for all children who had participated in the playground programs, and trophies were awarded at this time.

We wish to express our appreciation to every person or organization assisting or donating to the Recreation program during the past year.

BUILDING INSPECTOR'S REPORT

Seven building permits were refused due to the zoning laws. The parties concerned all applied to the Zoning Board of Adjustment for variances. Of the seven, four were granted variances while three were refused. Two of the four have since applied for Building Permits.

Two of the three "Stop Work" orders which were issued in 1966 and two issued in 1964 were lifted after the necessary corrections were made. One "Stop Work" order which was issued in 1965 was still in effect as of December 31, 1966.

A sharp decline in Building Permits in the past year was most noticeable in the single-dwelling catagory.

The estimated cost of construction, which included the new Upper Elementary School, was $3,285,600 and the estimated cost of alterations and additions was $86,700, or a total estimated cost of $3,372,300.

Respectfully submitted,

RICHARD E. MILLARD

BOARD OF HEALTH REPORT FOR 1966

The Health Department has had a busy year with new restaurants and new housing projects.

I have inspected the restaurants and barber shops periodically and numerous septic tank installations. There are also several boarding homes for State children which have to be inspected.

There have been some septic tank complaints, but the owners have been very co-operative.

I want to thank the people of Hudson for their co-operation.

REPORT OF LIBRARY TRUSTEES

Our library continues to grow in every way; more books, more borrowers and over 30,000 books loaned in 1966. Two full time librarians and two part time pages are kept busy assisting our 2200 borrowers. Our new and beautiful desk unit for our librarian was designed and built by Mr. John Aldrich at a small fraction of the cost usually charged for such units. This adds much to the efficiency as well as the decor of the library. Our thanks to Mr. Aldrich.

We are grateful to the many friends of the library who have helped us to grow and serve our community better. The Junior Woman's Club gave the library a motion picture projector. Many films are available, free of charge, from the state library. A group of their members are learning to operate the projector and have volunteered to conduct a story-film hour each Saturday morning for the children. The American Legion Auxiliary has donated books in memory of deceased members of their organization. The Alethea club of the Hudson Community Church donated books on their church reading list. Two local artist groups have displayed their talent by exhibiting pictures which have added much, both in interest and beauty, to the library.

The children's room, under Mrs. Burns supervision, has proved to be most successful. Our 900 youthful borrowers throng the room each library day and during this first year have borrowed 19,000 books. A summer reading contest was sponsored and a party given to those who qualified at the end of the summer.

We wish to extend our sincere thanks to our librarians, Mrs. Aldrich and Mrs. Burns, our janitor, Lewis Marshall, our pages, Deborah French and Susan Brinker and to our substitutes who have all served faithfully during 1966. Our thanks also to the many friends of the library whose interest and cooperation makes possible the growth and progress of our library.

made by

THE DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

August 15 - 18, 1966

SUMMARY OF FINDINGS AND RECOMMENDATIONS

September 15, 1966

The School Board
Hudson School District
Hudson, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Hudson School District for the fiscal year ended June 30, 1966, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: June 30, 1965 — June 30, 1966: (Exhibit A)

Comparative Balance Sheets as of June 30, 1965 and June 30, 1966, are presented in Exhibit A. As indicated therein the Net Debt increased by $920,972.82 during the fiscal year ended June 30, 1966.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits C and D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1966, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net unexpended balance of appropriations of $18,920.98, plus a revenue surplus of $83.11, resulted in a net budget surplus of $19,004.09.

Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance (General Fund Account), as of June 30, 1966, is indicated in Exhibit F.

Statements of the Alvirne Farm Accounts for the fiscal year ended June 30, 1966, are presented in Exhibits G, H and I.

Statements of Building Fund Accounts:
(Exhibits J-1, J-2 and J-3)

Statements of the Alvirne School, Smith School and Middle School Building Fund accounts, are included in Exhibits J-1, J-2 and J-3, respectively.

High School Activities Accounts: (Exhibit K)

The High School Activities Accounts were examined and a summarized statement of these accounts is included in Exhibit K.

Statement of School Lunch Account: (Exhibit L)

A summary statement of the School Lunch Program Account is included in Exhibit L.

Statement of School Tax Account: (Exhibit M)

A statement of the School Tax account with the Town of Hudson is included in Exhibit M. As indicated therein, as of June 30, 1966, the School District had received from the Town the total amount of the 1965-66 School Tax.

Statement of Bonded Debt: (Exhibit N)

A statement of the outstanding bonded indebetness of the School District as of June 30, 1966, showing annual debt service requirements, is contained in Exhibit N.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased from $11,976.91 to $19,004.09 during the fiscal year ended June 30, 1966, as shown herewith:

	June 30, 1965	June 30, 1966
Total Assets	$360,154.90	$785,532.28
Current Liabilities	348,177.99	766,528.19
Current Surplus	$ 11,976.91	$ 19,004.09

Note, Bond & Coupon Register:

It is recommended that the use of the standard form of Note, Bond and Coupon Register, in which each issue of notes or bonds should be recorded, be adopted. This is required by R.S.A. 33:12, which provides as follows:

> "33:12 Register. The treasurer of every municipal corporation shall keep a register, in such form as may be prescribed by the state tax commisision, which shall state the denomination, number and date of every bond or note issued by the municipality, the time when and the place where the principal thereof and interest, if any, thereon are payable and such other information as the state tax commission may prescribe. The state tax commission shall inspect the register provided for herein whenever it shall make any audit of the accounts of a municipal corporation."

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Hudson School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To The School Board and Citizens of Hudson:

The past year has been somewhat of a copy of the previous six years. Our pupil enrollments have grown substantially and school building construction continues. Every indication suggests that this is the rule and not the exception for the decade of the 1960's. Our September, 1965, pupil enrollment of 1632 grew by 252 to 1884 by September, 1966. We anticipate a total of 2154 to register next September. The Hudson Middle School has been under construction during the past year and should be substantially completed by Spring and ready for occupancy, by grades 5-8 next September.

Grades one to four have been housed in the H. O. Smith School under the capable leadership of Mr. Ronald Saudelli who replaced Mr. Carter Hart last July. It is expected that grades one through three will be housed there next year and grade four will move to the Webster School. Under Public Law 89:10 a Title I project has been developed at the primary level. Mrs. Genevieve Downing has directed pupil personnel services while Mrs. Cynthia Little has been teaching to meet the needs of specific pupils at this level.

Our new middle school offers us the opportunity to develop a comprehensive educational program for pupils in grades five to eight. The quality and quantity of this program will be limited only by the fiscal energy we can inject into this facility. Every attempt should be made to completely utilize the potentials of this facility by September, 1968. Programs in physical education, foreign language, homemaking for girls, manual arts training for boys, vocal and instrumental music, art, library services and guidance services can and should be available to pupils at this age and grade level.

Our seventh and eighth grades have been housed at Alvirne High School again this year. The transfer of these pupils to the new school will not only benefit these pupils but open up needed space for our secondary pupils. We must continue to improve and expand the excellent comprehensive high school program offered our young adults at Alvirne.

The acquisition of the Jacques property just off Lowell Road assures the district of a site for a future elementary school. As costs increase and land becomes more valuable we may well praise the day we voted this purchase. The construction of a school on this site is predicated on enrollments but at the rate we're growing it won't be long before that day arrives.

Continued attention is needed to maintain a competitive salary guide for our instructional staff. Our beginning salary is low by comparative standards to other towns in our geographic area, however, the holding power of experienced teachers is good. The best investment we can make in our educational program is to furnish quality instruction.

We were fortunate to fill all our teaching vacancies prior to the start of school in September, 1966. Several new faces are welcomed to our staff.

Miss Muriel Abbott, Thomaston, Me., Keene State College, B. Ed. 1966. Miss Abbott is an additional English teacher at Alvirne High.

Mrs. Paula Babin, Londonderry, N. H., Rivier College, B.A., 1966. Additional teacher of French and Social Studies, Alvirne High School.

Mr. Gilbert Rollins, Nashua, N. H., replaced Carlton Robbins, grade 5, Webster School. Mr. Rollins is a graduate of Brown University and did Graduate Work at Keene State College, Boston University, Rivier College, and Sacramento State College, Sacramento, Calif. Previous teaching experience at Claremont, N. H., N. Reading, Mass., and Clarksburg, Calif.

Mr. Ronald Saudelli, Leominster, Mass., replaced Mr. Carter Hart as principal of the H. O. Smith and Webster Schools, grades 1-6. Mr. Saudelli obtained both his B.S. Ed. and M. Ed. at Fitchburg State College. Previous experience Harvard Elementary School, and Litchfield, N. H.

Mrs. Theresa Sullivan, Andover, Mass., Emmanual College, B.S. Ed. 1952, replaced Mrs. Cepaites in the Business Education Department at Alvirne High School.

In conclusion I extend appreciation to the Hudson School Board, the instructional staff and all those who have contributed to the ever growing business of education in Hudson.

REPORT OF THE
ASSISTANT SUPERINTENDENT OF SCHOOLS

Mr. Claude H. Leavitt
Superintendent of Schools
Hudson, New Hampshire

Dear Mr. Leavitt:

The following paragraphs constitute my report as Assistant Superintendent in the School District of Hudson, New Hampshire.

At this writing I have only been associated with the Hudson School District for somewhat less than four months. However, even within this short period of time, I have had the opportunity to view personally the excellent instructional program that is being maintained even in the face of staggering increases in school enrollment. The willingness and desire to foster and encourage excellence within the school system is certainly a tribute to the citizens of this community.

During the current year the pupil-teacher ratio in the primary grades has been reduced to approximately a 25-1 ratio. The reduction in class size, coupled with the high calibre of personnel staffing the various classrooms, has resulted in a quality of instruction comparable to any within the confines of our state.

With funds available through Title I of the Elementary and Secondary Education Act the children in grades 1-4 are benefiting from the services of a full time guidance program. Mrs. Downing's services have proved to be a valuable addition to the elementary program, helping to assist each child in achieving full intellectual potential and personal social competence. The overall guidance program is of a comprehensive nature, since it reaches children during the formative years when development of character, learning, and behavior are vital and carries through till the latter stages of their school careers.

In conjunction with the guidance program in grades 1-4 Hudson has a program of special education funded through Title I of the Elementary & Secondary Education Act, to provide the specialized type of instruction necessary to accomodate the specific needs of the children involved. Through the combined services of the guidance program and the program of special education the Hudson School District is able to offer these children an apportunity to become effective members of society.

Children in the eleven to fourteen year age bracket are undergoing basic physiological and psychological changes, the educational impact of which is only beginning to be appreciated. In an attempt to provide the most suitable setting for this age group Hudson will adopt the middle school concept with the opening of the new building. Within the confines of this form of school organization teachers are permitted to specialize in one or two areas. In an age when the emphasis in curriculum organization is shifting from content to concept, we must provide our teachers with a framework within which they can become specialists rather than generalists. We must also give them the opportunity to translate these specialties into the type of practical knowledge, that children of this age need, in order to succeed both as students and citizens. We hope, through this system of organization, to fulfil these needs.

The facilities available through the construction of the new building will provide Hudson with the opportunity to offer a truly comprehensive program in grades 5-8. It is hoped that maximum use of these facilities can become a reality just as soon as possible. When the programs reflected in this building become fully operational, Hudson will be offering as broad and as individualized a program as is conceivable at this time.

In the final analysis the instructional program depends, in its entirety, on the quality and dedication of the teaching staff. You are very fortunate in Hudson to have a staff deeply imbued with both qualities.

I would like to express my gratitude to the instructional staff for its cooperation, the non instructional staff for its support, and may I congratulate the citizens of Hudson for their commitment to excellence in their educational program.

Respectfully submitted,

PETER G. DOLLOFF
Assistant Superintendent

PRINCIPAL'S REPORT

Alvirne High School

January 17, 1967

Mr. Claude H. Leavitt
Superintendent of Schools
Hudson, New Hampshire

Dear Mr. Leavitt:

The past year has passed smoothly, and in my estimation has been a productive one.

The added burden of housing grades seven and eight has been compensated for in part by our departmental system, which has greatly alleviated many pressures. Department Chairman meet frequently with teachers in their respective areas for the purpose of discussing and exchanging ideas, and improving the existing syllabuses. Thus, a uniform and well-planned sequential program is followed from grade seven through grade twelve. This departmentalizing has obviously benefited both student and teacher and has strengthened and enhanced all areas.

During the past decade, high schools the country over have tried to improve their educational offerings in many ways — by faithfully following the Conant prescription, by adopting the new curriculum revisions, by installing advanced placement and other honors courses, by experimenting with foundation-subsidized forays into team teaching, teaching by television, and flexible arrangements of time and students.

The results are not overwhelming, but they are ponderable — ponderable enough for the colleges to feel their impact and appreciate the need to bolster their Freshman courses. The quiet revolution now under way in American education seems destined, in part, to remold secondary education — to make it more sensitively attuned to the provision for individual differences so much touted, so little achieved, by twentieth century educators.

Alvirne High School is also involved in this "quiet revolution" as we are attempting to change from the traditional method of student accounting and student scheduling to a computer data system. This will allow for individual student differences in selection of courses, and also provide us with a more accurate and professional record of vital information. Some other aims which will be achieved are the following:

1. The quick and accurate provision of information for the use of state and federal agencies in their planning and financing of education

2. The establishment of effective machinery to relate the research of universities to the day-to-day life of the school systems

3. The development in public education of quality control techniques to promote more sophistication in school administration

4. The development in public education of technological improvements within the economic range of the public schools

We are hopeful of introducing this procedure next year.

My thanks to all for your cooperation and assistance.

Respectfully submitted,

DR. H. O. SMITH ELEMENTARY SCHOOL

Principal's Report — January 15, 1967

As principal of the elementary grades, I offer the following comments relative to our total elementary school program:

The organizational patterns of our elementary schools have proved to be quite successful in meeting the needs of our students. Under the direction of a well-trained staff, these patterns consist of self-contained units in Grades one and two with the introduction of homogeneous grouping in such key areas as mathematics, science, reading and language arts in Grades three through six. Full-time programs are in operation in French, remedial reading, instrumental music, vocal music and art. Speech Therapy is presently offered on a part-time basis.

The adoption of a primary special class to accompany our intermediate unit has solved the needs of those children needing special attention. The administration has implemented some of the newer more successful concepts in education without sacrificing older methods that have withstood the test of time.

The current need in our elementary program is in the area of physical education. In order to complement an excellent academic program, attention must be directed to this area commencing with Grade one. As the schools have assumed a greater responsibility relative to the development of the whole child concept, the physical well-being of youngsters takes on new light and dimension.

Of immense value to our educational program has been the acquisition of a full-time guidance counselor in the elementary grades. The counselor's responsibilities encompass many facets of the total school program. Through consultation with teachers, the school nurse and parents, the guidance counselor is better able to undertake intellectual, educational and personal social evaluations of pupils, administer individual tests for qualitative and quantitative evaluation of the child and counsel pupils who have personal problems which impede their learning, social adjustment or classroom participation. Referral of pupils who need more professional diagnosis and treatment to the appropriate specialists such as school psychologists, school physicians, family service organizations, psychiatrists and mental health clinics is another of the counselor's responsibilities.

Sharing in importance with the academic areas of a school plant is the successful operation of the hot lunch program. The hard work evidenced by the people in this area has been a key factor in the overall success of our total school program.

In conclusion, I thank the School Board, the Superintendent and Assistant Superintendent of Schools, The P. T. O., Mrs. Mildred Chalifoux and Mrs. Margaret Jackson for their cooperation and continued dedication to the children of Hudson.

Respectfully submitted,

RONALD T. SAUDELLI
Principal

REPORT OF GUIDANCE SERVICES

January 16, 1967

Mr. Claude H. Leavitt
Superintendent of Schools
Hudson, New Hampshire

Dear Mr. Leavitt:

Guidance services have been maintained and expanded throughout the year. All students in the system have benefited from the addition of a full-time counselor in the elementary school because we now can give immediate attention to each and every student according to his or her need.

Pupil evaluation through the testing program established has improved the placement of students in classes. The testing program will be continued, and with teacher evaluations and an improved curriculum we will be able to refine this placement even more to meet particular needs of the individual. Individual testing done, both on the elementary and secondary levels, will give us an opportunity to detect strengths and weaknesses early so that the student may reach his or her full potential.

This year, greater stress will be placed upon the individual's educational vocational goals, as well as personal and social adjustment. A follow-up program will be put into effect to see how these services are meeting the needs of the children of the district.

An additional guidance person would insure the expansion of guidance services to the new school without losing any effectiveness in the program already in operation.

Respectfully submitted,

JAMES V. REGAN
Director of Guidance Services

REPORT OF THE SCHOOL NURSE-TEACHER

To the Superintendent, School Board Members

and Citizens of Hudson:

I would like to present my annual report as School Nurse-Teacher for the Dr. H. O. Smith, Webster and St. John's schools, and Mrs. Lankhorst who joined the staff last year will report on grades seven through twelve.

We work together, but in order to have a better understanding of our students, and do our best effort we have our quarters in separate areas. Mrs. Lankhorst is at Alvirne High School and I am at the Dr. H. O. Smith School.

As the enrollment in the elementary grades has been increasing, so have the many duties and responsibilities of the school nurse.

All students have a routine check-up and inspection which includes height, weight, teeth, tonsils, skin and head, also a visual screening. These, along with other pertinent facts, are recorded in a confidential health record.

Again this year, the Proctor and Gamble Dental Health Program was carried out in grades one through six. Tooth brushes and toothpaste were distributed to all third grade students. Demonstration in the proper technique of tooth brushing and mouth hygiene was presented to all grades along with films, interesting posters and literature.

Special health films were shown to various grades in conjunction with their science classes.

In cooperation with the State Board of Health, a series of immunization clinics for pre-school and elementary children were held. Included were shots for whooping cough, diphtheria, tetanus, Sabin oral vaccine and measle vaccine.

In April we held our annual pre-school clinic. About two hundred children were registered and physically examined by physicians. In May, the Lions Club had their annual vision screening program for pre-school children in Hudson and surrounding areas. Visual defects have been found and corrected before the child enters school.

I wish to thank the many parents and friends who have helped me during the clinics, also the various organizations who have made generous donations to our hot lunch and milk program. The splendid cooperation of parents and friends in many other capacities is greatly appreciated.

Respectfully submitted,
ANNE K. CHRISTOPHER, R. N.
School Nurse-Teacher

Mr. Claude H. Leavitt
Superintendent of Schools
Hudson, New Hampshire
Dear Mr. Leavitt:

In this my first report as School Nurse-Teacher at Alvirne High School and Hudson Junior High School, I wish to express my gratitude to Mrs. Anne Christopher, Mr. Chester Steckevicz, and the faculties of these two schools for their cooperation and support.

In September 1965, Dr. Roger Dionne gave physical examinations to six hundred students who had parental permission. I performed routine height, weight, blood pressure, and visual screening tests on all students.

In April 1966, I assisted with the Supervisory Union's preschool clinics.

Because of evident student interest in nursing careers, a Future Nurses Club was organized last January; twenty-two girls joined the club at its inception. The purpose of this organization is to introduce sophomore, junior and senior girls to possible careers in nursing.

The responsibilities of the School Nurse-Teacher are varied. In addition to my regular nursing duties, my work with the Future Nurses Club and my attendance at the basketball games to care for emergencies have made my first year both enjoyable and rewarding.

Respectfully submitted,

REPORT OF THE SCHOOL BOARD

This has been a most productive year for the school board. All areas within the scope of education have progressed steadily forward. This is the result of careful planning and implementation.

One area that has progressed, to our satisfaction, is in the construction of the new middle school. However at this time we appear to be about $100,000 short of necessary capitol to complete this project. A larger commitment than was estimated has occured in site preparations for finished grading and paving. We feel that to successfully complete a project of this scope and come within 10% of a preliminary estimate is outstanding. A large portion of credit must go to our excellent building committee headed by Leonard Smith, chairman.

We are very happy with our professional staff in the class rooms and in the administration. They are meeting the challenge in these expanding and changing times.

At this point we should thank the Hudson Teachers Association for their interest in our schools, our children, and in our problems. We have met with them frequently during the year on mutual problems.

Significant interest has been shown by your school board in co-curricular activities namely the basketball program beginning at grade five and continuing through Alvirne varsity. We feel that competition in inter-scholastic athletics is an important part of gaining excellence in academics.

Our interest in co-curricular activities has generated a rather pleasant little controversy, this year, namely "football". Although voted into our program unanimously by our board we will resolve its future at our district meeting.

We would again like to take this opportunity to express our confidence in our Superintendent of Schools, Mr. Claude H. Leavitt. He continues to exhibit excellent leadership in a most able and efficient administration.

Many thanks to all people who worked with us, namely:

Alvirne Trustees
Middle School Building Committee
Budget Committee

As in the past your assistance and support has been most welcome. Education as such is moving increasingly faster each year and with it are coming significant changes. It behooves us all to take as much interest as we can in education as it is today — and will be tomorrow.

Respectfully submitted,
WILLIAM L. ROBERTS, Chairman
WARREN B. HOWE, Clerk
DONALD C. SHEPARD
